Important notice for Aura LED Opti T5 HF G3!

Before installation, compatibility with the ballast to be used must be determined by using this compatibility list. Ballasts not listed are not approved for operation with Aura LED Opti T5 HF G3. Listed ballasts which are older than 7 years or already have more than 50 000 hours of operation should be replaced before installation of Aura LED Opti T5 HF G3.

Please read the instruction manual before installation!
