

GUARANTEE

Aura Connect: Network Sensors

Aura Light AB, Vimmerby (Sweden) offers a five (5) year guarantee for the following Aura sensors:

- AN10® Universal PIR Sensors
- AN10® Large Room PIR Sensor
- AN10® Large Range PIR Sensor
- AN 10® Corridor HF Sensor
- Casambi PIR Universal Sensor
- Casambi Large Room Sensor
- Casambi PIR Large Range Sensor

The guarantee is based on mounting and installation instructions according to Aural Light manual. The guarantee covers defects in components and materials not derived from improper handling, incorrect electrical parameters or usage outside defined ambient temperatures and defined environments. Wireless communication /network depends on specific physical condition of installation environment and can't be guaranteed. Non wireless communication is not a defect.

A claim for damages cannot be constituted based on this guarantee.

Due to technical advancements it is possible that future deliveries may differ from the original product.

The validity of the guarantee is based on the following conditions:

1. Operating sensors within the stated ambient temperature conditions and correct mounting.
2. Replacement costs are not covered by this warranty.
3. The guarantee does not apply to any failure resulting from installation under power.
4. The guarantee is valid from the date of installation, which must be recorded by the user.
5. If problems with defective components would occur should this be handled as follows:
Notify Aura Light of the complaint. After the complaint, any defective sensor is returned to the Aura Light test in Aura laboratory. Only defects confirmed by Aura Lights laboratory leads to compensation.
